What is the North Boise Little League All-Stars?

When are All-Stars tryouts?

Location: Hillside Baseball Complex, 4150 N. 36th Street, Boise @ the Majors Field

DATE IS TBD

- A player trying out for an older team is requested to assess at the time slot of the older division. For example, a player league age (LA) 11 trying out for the 12U team is requested to assess at the 12U time. That LA11 player, if not selected on the 12U team, is eligible for the 11U team.

It is imperative that you bring your player to the correct league age tryout. Please calculate their league age on the above linked calculator. Tryout attendance is mandatory for All- Star participation unless NBLL grants an exception.

What will the All-Star summer schedule look like?

All Star teams typically practice 5 – 6 days a week starting after the conclusion of NBLL’s regular season and compete in local tournaments leading up to the District & State All-Star tournaments which usually start the last week of June and go on until the 3rd week of July. 10U and 11U and 12U play in Districts and, if they win Districts, State. The 12U team, if it wins State, will play in the Northwest Regional Championship in San Bernardino, California, which begins August 5. If the 12U team wins regionals, the team will compete in the Little League World Series, in Williamsport, PA, which begins August 16.

The local tournaments are not part of Little League but allow for play time leading up to the Little League official tournaments.
