

# 2022 Softball and Baseball Assessment FAQ:

## Assessments will be Saturday February 26th and Saturday March 5th.

Assessments will be held at Hillside Park on 36th Street and Hill, 4150 N 36th St, Boise. Please go to the far north field, typically referred to as the intermediates field. There is a large paved parking lot. Check in will take place under the covered picnic awning. Please note the arrival time and assessment time on the chart below.

### Assessments? Who needs to come and why?

Assessments are scheduled for February 26th and March 5th. Assessments are intended to help create balanced, safe and fair teams. **All players, softball and baseball, league age 9+ are required to come to assessments.** This allows us to accurately assess skills and place players in the correct division and allocate to teams for fair play.

Check the league age of your player here: [Little League International League Age](#)

Players league age 14+ do not need to assess.

### 7 and 8 year old players (and younger):

If you have a 7 or 8 year old player that would like to assess to see if they are eligible for play in our minors division please bring them at the appropriate assessment time and date.

If your 7 or 8 year old wants to play rookies, then please DO NOT come to assessments.

Please DO NOT come to assessments for your tball players.

Players should dress for baseball/softball play. Cleats, baseball/softball pants, glove and hat are all recommended. Bats and balls will be provided but players are welcome to bring their own bats.

### Assessment Schedule:

*If you are unable to attend your assigned Saturday, please email us at [info@northboisell.org](mailto:info@northboisell.org) and RSVP for the alternate Saturday.*
